## STATUS ENQUIRY DEPARTMENT

The valuable Status Enquiry Service afforded by the Association enables Subscribers definitely to decide as to the advisableness of according or withholding credit, and it is recognised with the utmost appreciation by the numerous Bankers, Merchants, Manufacturers, and Traders, who fully avail themselves of its manifest advantages.

In addition to the Status Reports issued by the Department all Subscribers should avail themselves of the many benefits of the

**"FOLLOW-UP" SERVICE,**

which affords to Members, furnishing the Association with a List of Customers, prompt notification of all changes affecting their position and prospect thus providing Subscribers with a constant means of supervision of the affairs of those to whom they have accorded credit. When

**AN IMPORTANT CHANGE**

has occurred in the position of a Firm, the Association immediately notifies Subscribers. When

**A SUPPLEMENTAL OR REVISED REPORT**

containing additional information, has been compiled, SPECIAL NOTICES are at once forwarded to Subscribers, intimating that a copy is available.

A careful perusal should be regularly made of the

**DAILY AND WEEKLY "TRADE REPORT" AND "CHANGE SHEET,"**

containing records of Debentures, Bills of Sale, Renewals and Satisfactions of Bills of Sale, Stock Mortgages, Bankruptcies, Wool, and Crop Liens, and Applications for Probate; also noting, in clear and concise form, the Opening of New Businesses, Dissolutions of Partnership, Dividends Payable, Fires or disasters affecting any Firm, and other items of commercial interest, the whole affording a most valuable aid to the credit giver.

**THE COUNTRY TRADES REGISTER**

A complete Register of Traders in 2000 Country Towns throughout the State of New South Wales, is recognised as indispensable to the office of every Merchant.
